FOREWORD....

Not many years ago, an idea was made real, an idea that strength lies in unity. It came into being with the charter of the United Nations.

Through the ages the world has sought freedom, but selfish powers have embittered whole nations against one another. Dissatisfied with their limited territories and wealth, nations have waged wars. Ours is an age of tension; the communist nations now are forcing their ideals upon weaker neighbors with far greater objectives in mind. It is in the U.N. that we cradle our hopes for a free world, for although the future appears chaotic, this organization has within itself the latent power of its member nations, the power to **make** peace.

The Executive Board of Representatives is the voice of the students in the government at San Mateo High School. It does not execute laws as the name implies but acts as a legislature.

San Mateo High School's government sets forth all the principles which make up the government of the States and the country. Just as the A.G.S. and the A.B.S. work separately for

their individual group, the Ex-Board works for the two as a whole. This is based on our own democratic government; as the A.G.S. and A.B.S. are to the state legislatures, so Ex-Board is to the Congress of the United States.

San Mateo can well be proud that it has an efficient governing body. It is a government of the students, by the students, and for the students.

FAREWELL

It is with deep regret that San Mateo High bids farewell to a woman who will be remembered by all fortunate enough to know her. Mrs. Harriett Lewis has given help and understanding in the past years to various activities. Whether it was advising the German Club or developing the CARE package program, Mrs. Lewis earned the respect and admiration of all her students.

Ever interested in scholarship, she inspired in us a respect for learning and a real appreciation for character that will live deep within our hearts. We salute you, Mrs. Lewis, and wish you the best that life has to offer . . .

THE VARSITY

Rated one step above the cellar at the beginning of the season, the San Mateo varsity did a little better than that, ending up in a tie for sixth place.

The season started out with a long trip up north to Orland and the first loss of the season, 33-12.

The second game of the season was the first PAL win. Willow Glen visited McConville Field to start off league play with a bang. The visitors received more bangs than the home team though, and the Mateans came out on top, 33-6.

All was not easy going, the 'Cats had a lot of trouble subduing the South City Warriors, 25-19. This was the first night game of the season.

In their second night game Collin's boys lost a close game to their traditional, or better known as cross-town rivals, Serra High. The Mateans lost by only six points, 18-13.

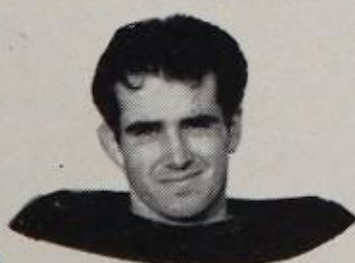

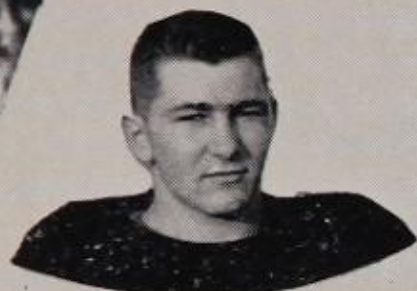

The first league loss came a week later, when Sequoia's Indians visited San Mateo and had "happy hunting grounds" in winning, 13-7.

A week later the 'Cats pulled a sensational comeback to whip San Jose, 26-20. In that game Frank Ronney, San Mateo's offensive star, scored four touchdowns in the second half to overcome a 20-0 half-time deficit.

Jefferson took the measure of the Bearcats, 26-14, a week later.

In the traditional with Burlingame, Blingum got the win and San Mateo got the paint. A favored San Mateo team was humiliated, 19-12.

Lincoln won four days later, 8-0, over the locals, and eight days after the Blingum loss the top team in the conference, Palo Alto, won over the Mateans, 42-12.

FROSH-SOPH FOOTBALL

The San Mateo Frosh-Soph Football team had a fairly successful season, ending with a record of six wins and two losses.

The season was full of variety and surprises; led by such stalwarts as Dick Kernick, Tom Guidry, and Woody Wilmore in the backfield and a crop of good linemen the team had its share of wins.

To start the season off with a bang, the Kittens waxed Serra 20-0. Then they followed up with a 38-12 win over the Half Moon Bay ball club.

South City also bowed to the locals, who at that time were rolling onward with the league championship as their goal. The score of that one was San Mateo 27 South City 12.

The first loss of the season came in the mud at Sequoia. The game was played after one of the worst rainstorms of the year. Sequoia refused to call the game, so it was played, with the result that the Cherokees won 19-0 and went on to take the league championship.

The San Jose game was canceled; so the next contest was with Palo Alto. The Kittens again rolled, flattening Paly 33-0.

A new rival faced the San Mateo team (freshmen only) in the next game, and Capuchino High went down to defeat at the hands of the Frosh, 40-13.

Lincoln forfeited its game to San Mateo, and in the last game of the season the Mateans took a 14-12 defeat at the hands of Blingum.

THIRTIES BASKETBALL

After playing their most inspired game of the year against a favored, taller and more experienced opponent, the 'Cat 130s finally bowed to the Burlingame Panthers, 42-41.

The Panthers forced the 'Cats to shoot from outside the key throughout the game, but for a long while it seemed even with this handicap the Mateans might win. By the end of the third quarter the 'Cats clung to a 38-35 lead, but here the Panthers began to close the gap. With a minute to play, 'Cat forward Elmer Yamada put in a lay-in, and the Bearcats led, 41-38. However, the Panthers scored immediately to make the score 41-40, and with seconds left, Panther Bob Righter put in the winning Panther basket.

The 'Cat 130s ended the P.A.L. season with the same record as that of the varsity. They beat Half Moon Bay, South Francisco, Jefferson, and Palo Alto, but they in turn were defeated by San Jose, Sequoia, Willow Glen, Lincoln, and Burlingame. They ended in sole possession of fifth place in the P.A.L.

Thirties stalwarts were Fritz Brousse, the team's leading scorer and an All-P.A.L.er, Morris Smith, Elmer Yamada, Marsh Tekawa, Al Silva, and Tom Warda.

VARSITY BASKETBALL

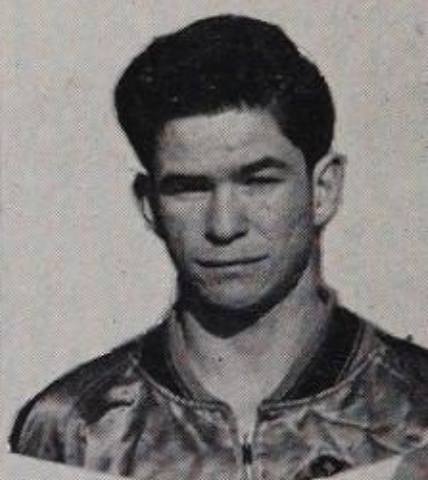

The San Mateo High Varsity hoopsters closed their 1950-51 season on a joyous note, as they squeezed out a hard-fought 48-47 victory from our traditional rivals, the Burlingame Panthers.

The 'Cats were decided favorites in the game, but the Panthers played their best game of the season. At the end of the regulation playing time the score stood 43-43. With only seconds left in the second overtime period, 'Cat guard Bill Gregory broke through for the bucket which gave the Mateans their most important victory of the year.

Walt Stelling ended his basketball days at San Mateo by scoring 20 points to lead all scorers in the Big-Little Game.

The 'Cats had a good P.A.L. season, considering that all five of last year's starting five, including player of the year Bill Kahler, were gone. They whipped Half Moon Bay, South San Francisco, Jefferson, and Burlingame. Losses were taken from Sequoia, the eventual league champions, San Jose, Willow Glen, Lincoln, and Palo Alto. The final standings found the 'Cats in a tie for fifth place with Willow Glen.

The 'Cats were led during the season by Walt Stelling, Ronnie Venturelli, Bob Meyer, Bill Gregory, and Guido Croaro. There was no consistent high scorer; Stelling, Venturelli, and Meyer split that chore from game to game. Croaro was the 'Cat rebounder, and without him many games would have gone the other way. Gregory is remembered mostly for his Big-Little Game efforts, but he was the clutch player of the Bearcats.

10's

San Mateo's 10's enjoyed a good season, winning four P. A. L. games as against two losses. Their overall season's record read nine wins and seven defeats.

The ten's had a very good record considering that they had no returning starters, and only one starter, Roger Smith, had played more than a few minutes last season. Freshman Robert White was the team's high scorer during the season and was second only to Rodney Wong of the 20's in scoring for both teams.

The Dimes lost to San Jose and Burlingame for their only two P. A. L. defeats, and they also defeated both Jefferson and Sequoia, the league's two top teams in non-league games.

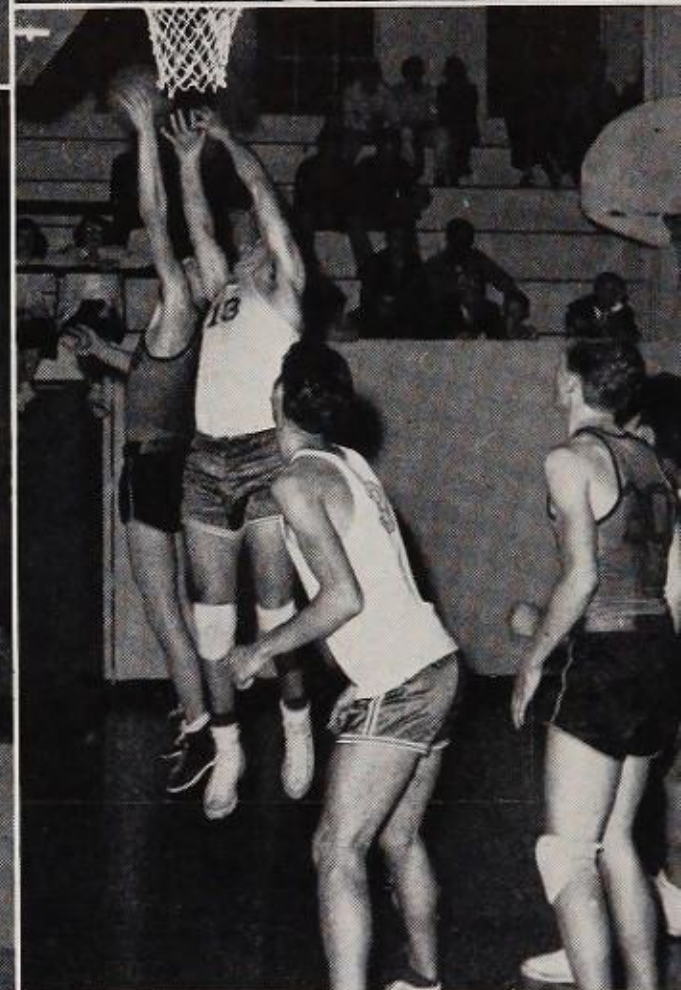

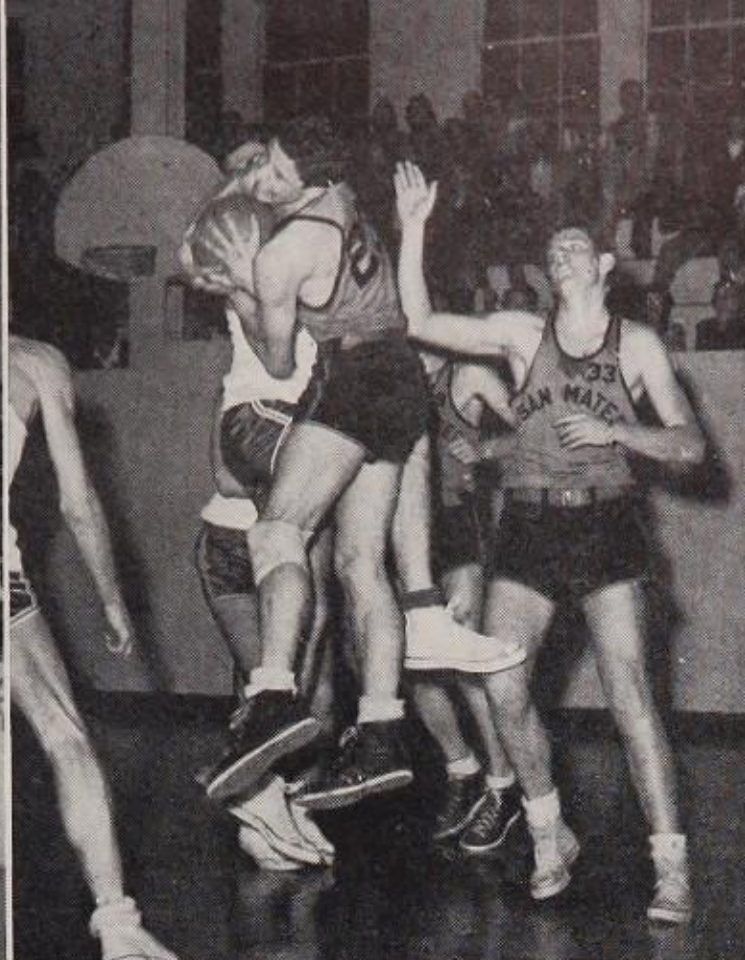

The first five for the Dimes at the season's end was Don Jackson and Robert White at the forwards, Ronnie Berridge, the team's most consistent player at center, and Eddie Ikeda and Roger Smith at the guard positions. Ty Tekawa at four feet plus played a good many minutes during the season.

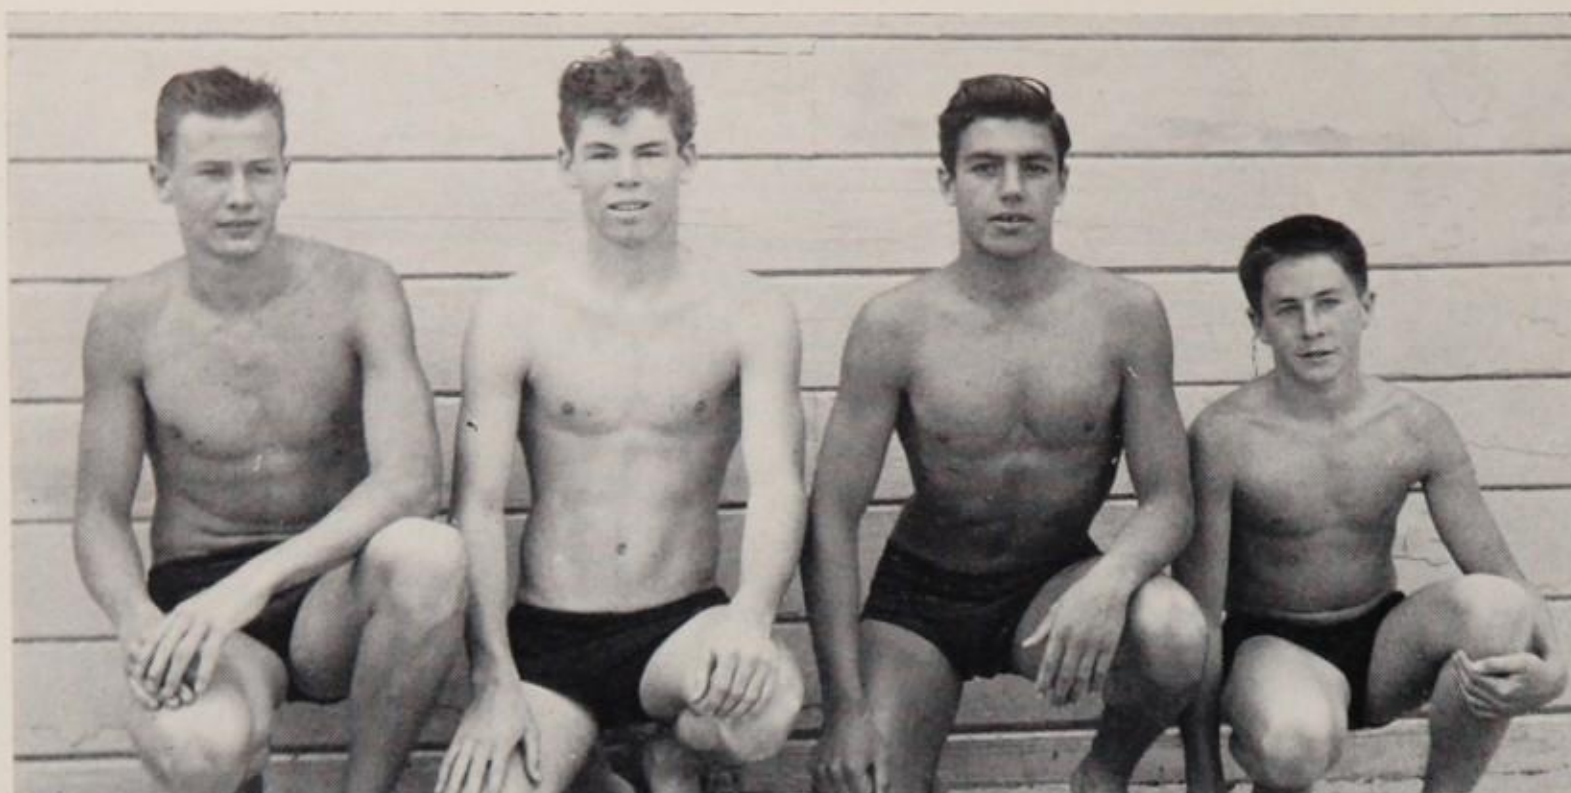

20's

The Bearcat 20's enjoyed their most successful season in many years, winning five league games against a lone setback and compiling a season's record of twelve wins and only four defeats.

The twenties lost only to San Jose in league play, beating Half Moon Bay, South City, Capuchino, Lincoln, and Burlingame in league play. Outside the league the Bearcat twenties beat twice each such vaunted teams as Hayward and Fremont of Sunnyvale.

The twenties were led by forward Rodney Wong, who was the high scorer for both of the San Mateo lightweight teams. However, he had many competitors for the high scoring honors. His brother Donald, Dick Hansen, Bill Jacobsen, Dick Rautman, and William Kitagawa were only a few of the many outstanding players Coach Paul Armstrong had on his twenties squad this year.

DIVING

The 'Cat varsity had its most powerful one-two diving punch in a good many years. In Frank Lindstrom and Bob Rodriguez, Coach Donald Miller had two almost sure bets to secure points for the Orange and Black in every meet they entered. Both were equally adept at the art of diving, and it is quite possible that they might have finished the season competing against each other for lack of outside competition.

Dick Nordt, the 120's backstroker, was the only diver the Mateans could enlist for the 130's division. Dick, a freshman, demonstrated some beautiful form in practice; he may prove to be a potent point-getter for the Walker-men in years to come.

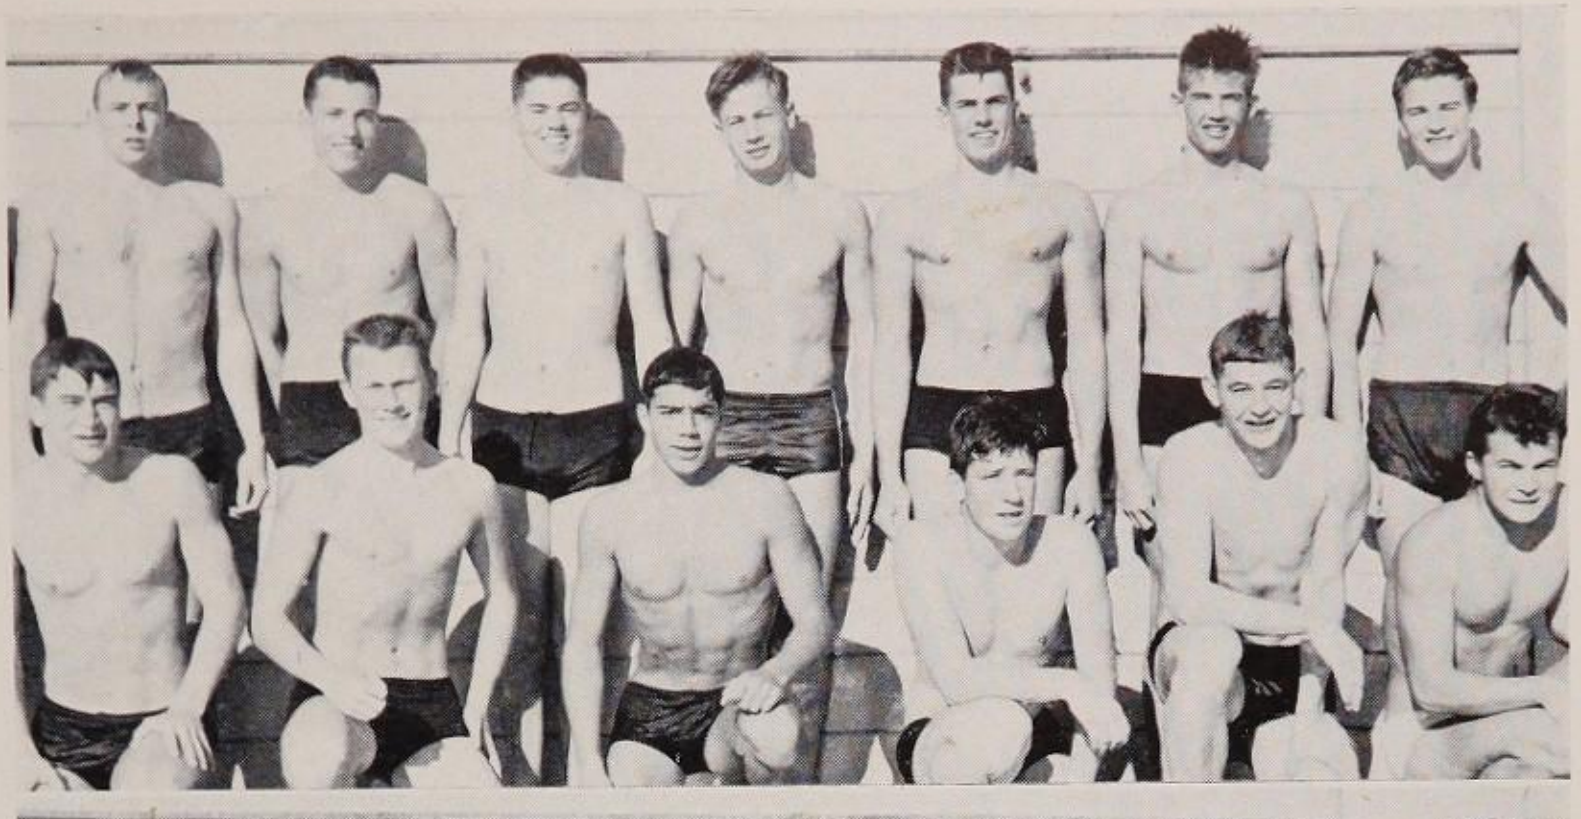

WATER POLO

A group of swimmers at San Mateo featured their second season at the new sport of Water Polo during the fall months. This year's coaches were Mr. Floyd Rezowalli and Mr. William Stretch.

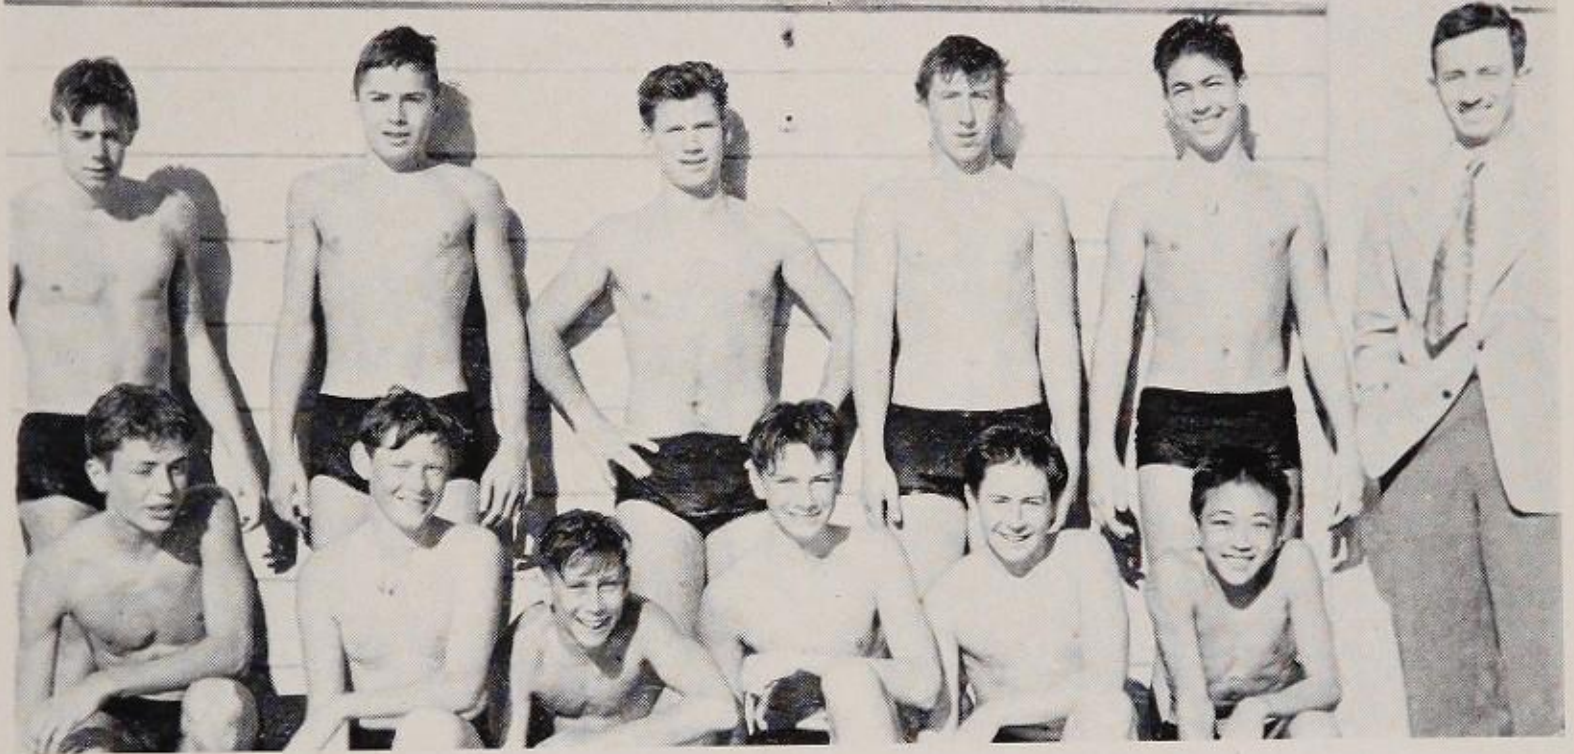

The team won only one game, which was against their biggest rival, Burlingame High School. This contest was likely the most exciting, for it went into two overtimes, with the outcome of the game a win for the Bearcats. They also played Palo Alto and Sequoia twice and lost.

The main strings of the team were Frank Lindstrom, Harry Stonelake, Gordon Greves, David Searls, Bill Sunblad, Bruce Campbell, and Dave Wisnom.

SWIMMING

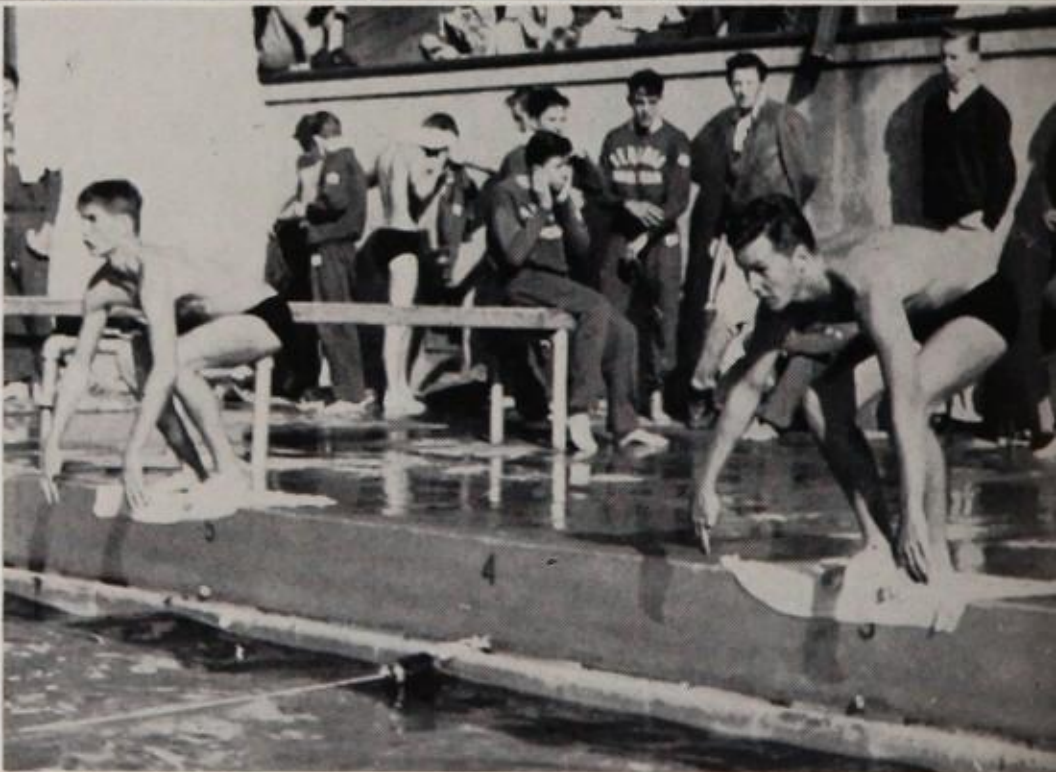

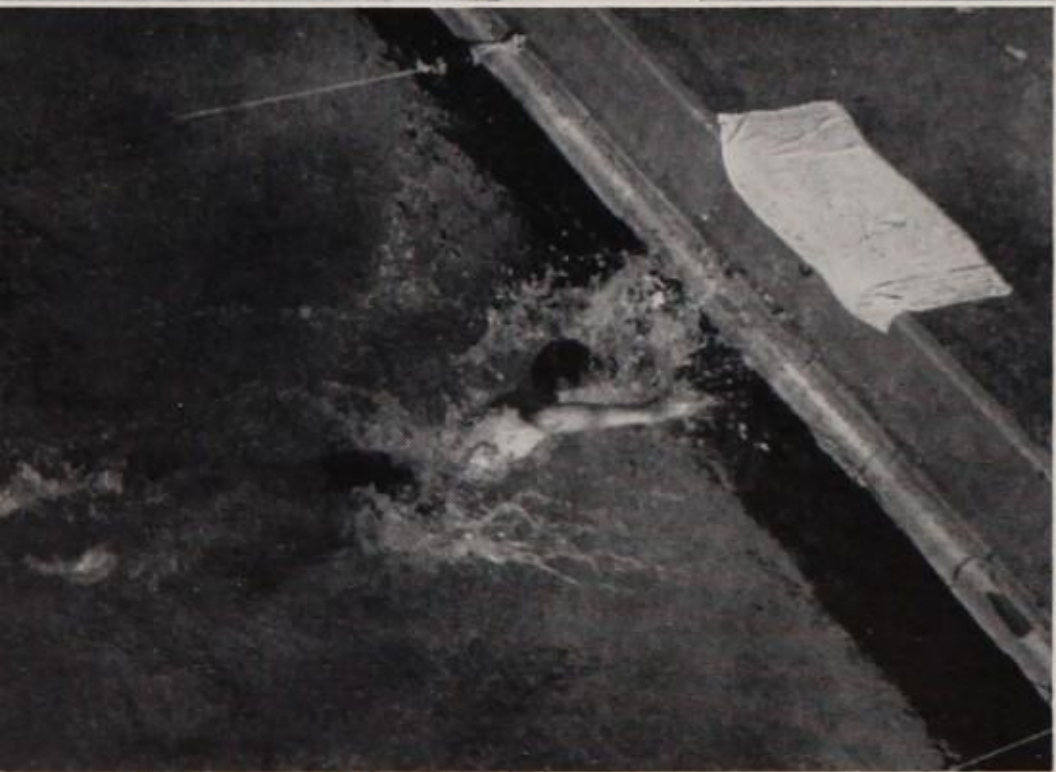

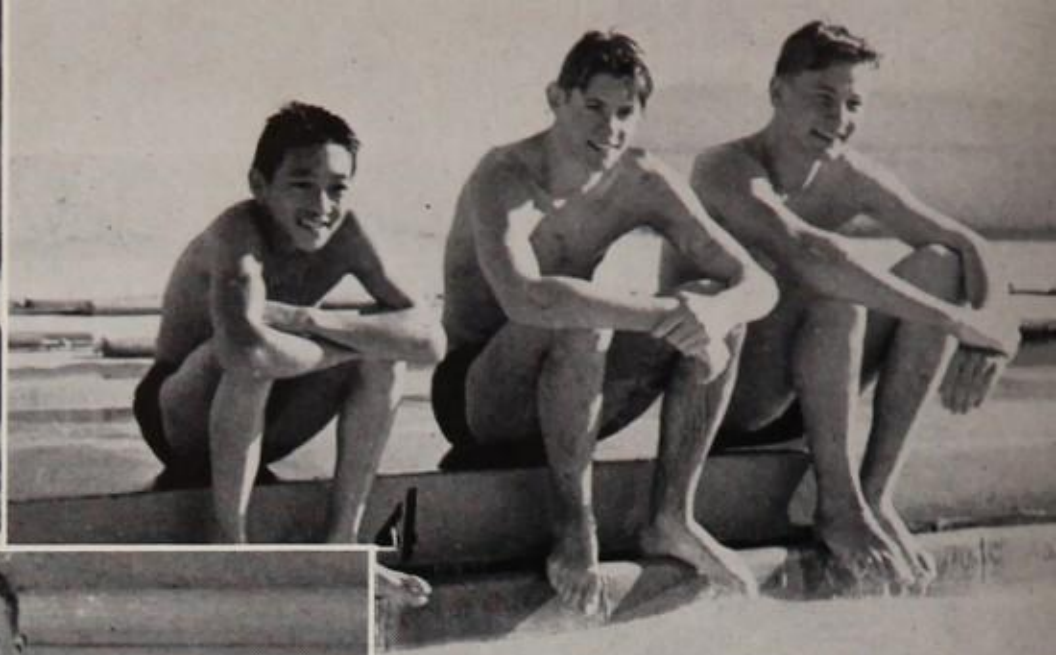

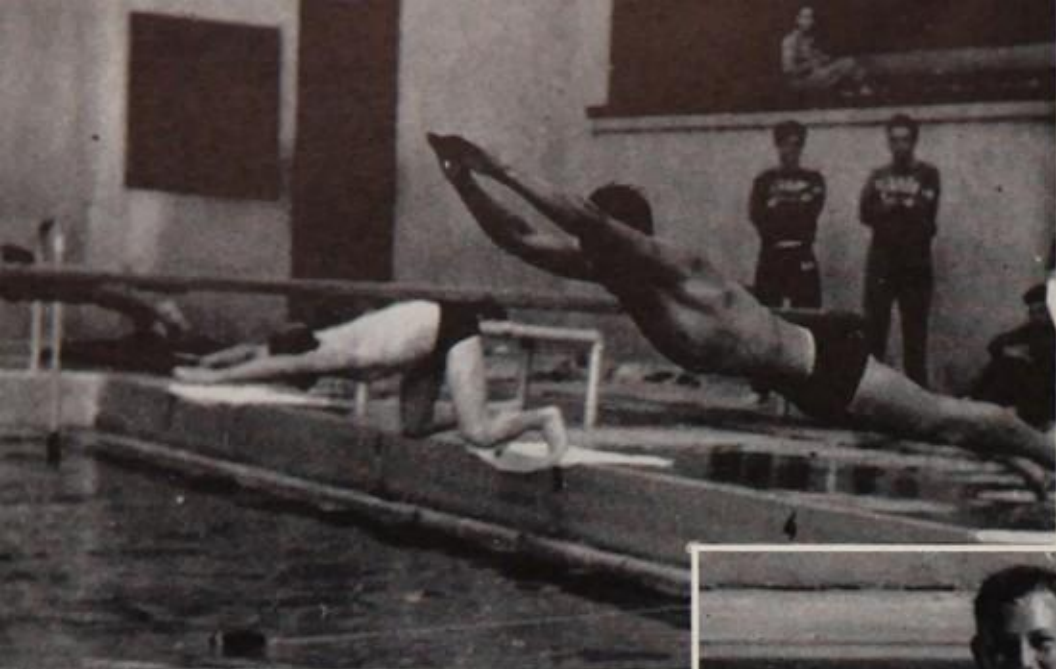

In pre-season practice the 'Cat swimmers looked like one of the strongest arrays of talent Coach Lloyd Walker has collected in quite a few years. The 'Cat varsity, for instance, resembled what many coaches would give a right arm or so to have.

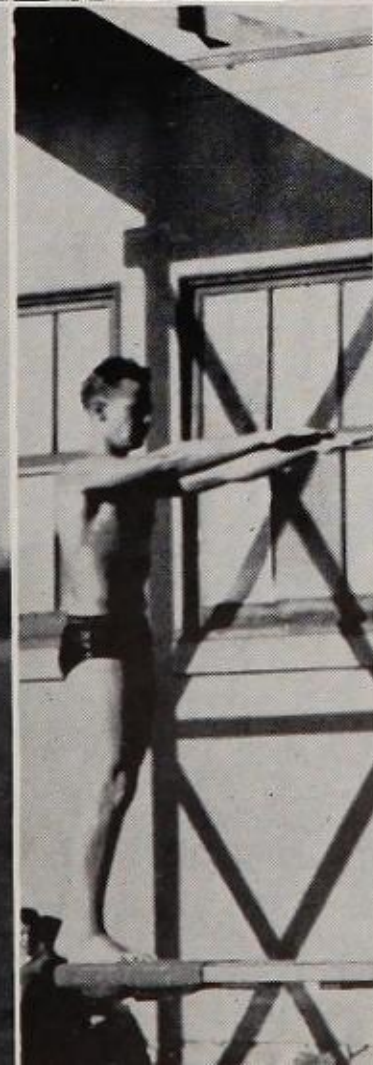

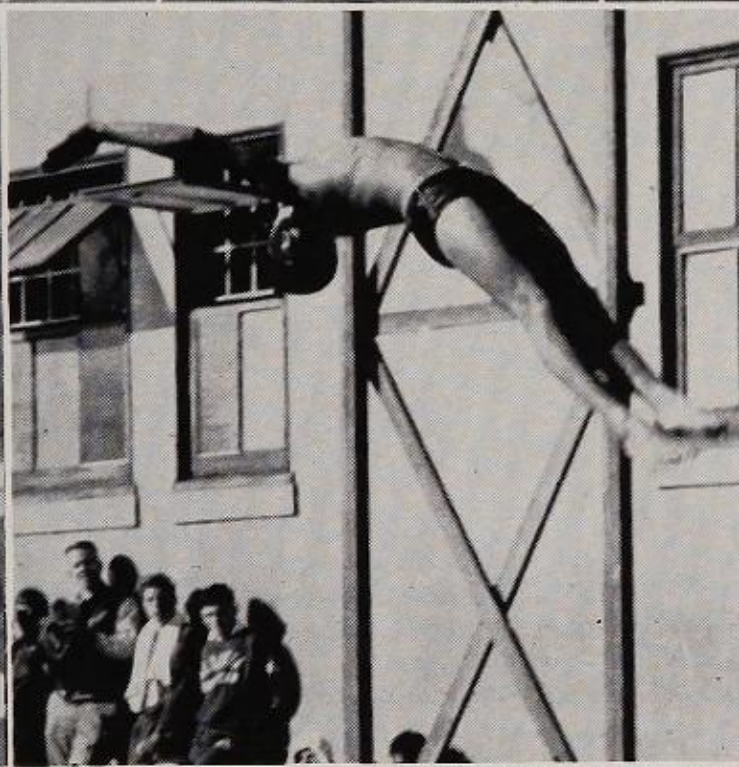

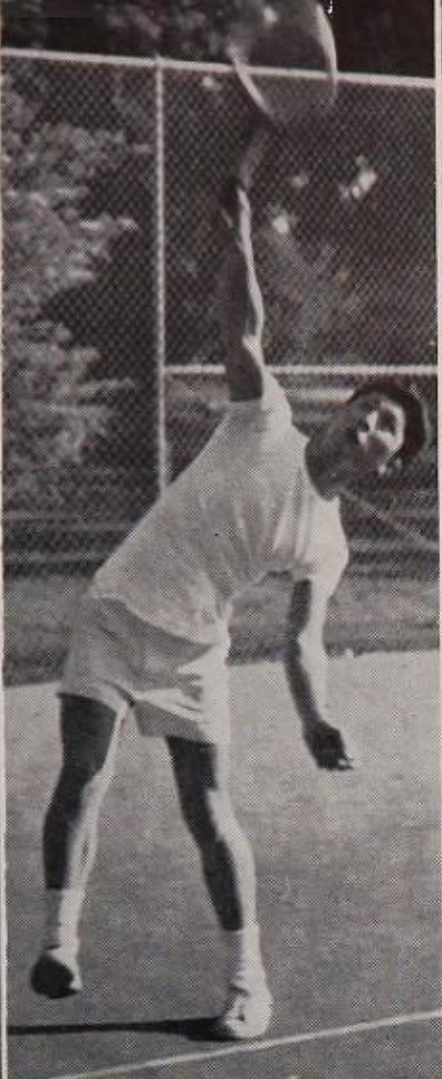

In the sprints the Mateans were led by Harry Stonelake, who was undefeated while swimming with the 130s last year. He was ably supported by lettermen Frank Lindstrom, Bob Rodriguez, Bruce Campbell, Keith Johnson, Wayne Johnson, and Len Scannell. The backstrokers were featured by Gordon Greve, who last year won all his P.A.L. dual meets and copped the N.C.S. as well. Understudying Greve was David Searls, another letterman. The breaststroke was

capably handled by Jack Ellingson and Bill Sundblad. Sundblad, incidentally, was also the 'Cats top man in the individual medley.

In the 130s classification Jim Clark and Jim Byrd were the top competitors for the 'Cats, while Mike Dewees, Dick Nordt, and Ty Tekawa stood out for the 120s. A lack of performers dulled the 'Cat lightweights' chances.

In their first meet of the season the 'Cat Varsity demonstrated its power and versatility, as it took every place against Burlingame in soundly whipping the Panther Varsity, 61-13. The 'Cat 130s paddled their way to a 36-20 win, but the Panther 120s squeezed by the 'Cats lightest of the light, 27-21.

GOLF AND TENNIS

This year's golf and tennis teams were two of the strongest aggregations to represent San Mateo High in quite a while.

Coach Frank Collin had a number of returning veterans, including his top twosome of last year, Ralf Wrenn and Ned English. Duke Leffler, a promising junior, made his initial bid for the squad.

San Mateo's tennis team promised to make a very good showing at the P.A.L. Roger Smith, the number one man, took his first two matches against Lincoln and Palo Alto, and the Cats lost only one match as compared with nine wins in the two meetings. Smith is backed by Dave Wisnom and Marty Lee in the singles, and the doubles combos of Don Jackson and Pete Minor, and Brad Stark and Henry Lackner. The Cats' only serious threats to a P.A.L. championship seemed to come from Burlingame and Sequoia.

LIGHTWEIGHT TRACK

The Bearcat lightweight tracksters were not quite as deep in strength as the varsity, but they, too, had a considerable amount of individual strength.

The thirties, in Bill Garner and Elmer Yamada, had two boys who could decide any meet almost by themselves. Garner was always a winner in the hurdles, usually could be counted on for five points in the pole vault, and won the 330 with regularity. Yamada, a sophomore, was the 'Cat thirties' top broad-jumper, and he usually was right up with Garner in the pole vault and hurdles.

In the middle distances Rod McDonald, Dick Wolfson and Gordon Roloff were San Mateo's top performers, while in the sprints the 'Cats were paced by Lepoleon McLemore and Lee Ridgeway.

The twenties improved a great deal after a bad start. The 'Cat twenties lost their first two meets, but, led by their "One-man team," John Sutherlin, the twenties looked like championship material by mid-season.

Sutherlin was the most consistent point getter on the whole track team. At different times during the season he entered the 75, 150, 330, broadjump, and highjump; in the El Cerrito Relays he ran a 440. Sutherlin averaged three wins per meet.

The 'Cat twenties had good strength in the sprints, where Paul Sheffield and Henry Quock did yeoman work. In the hurdles Dick Lee and Gordon Tinker were the best, while in the 330 Alan Hinman and Fred Bjork topped all competitors. Quock was the best shotputter, while Sheffield did some fair broad-jumping.

The 'Cat lightweights were to be reckoned with in the P.A.L. finals.

INTRAMURAL WINNERS
LEFT TO RIGHT: J. Sutherlin, L. Bortolin, G. Garner.

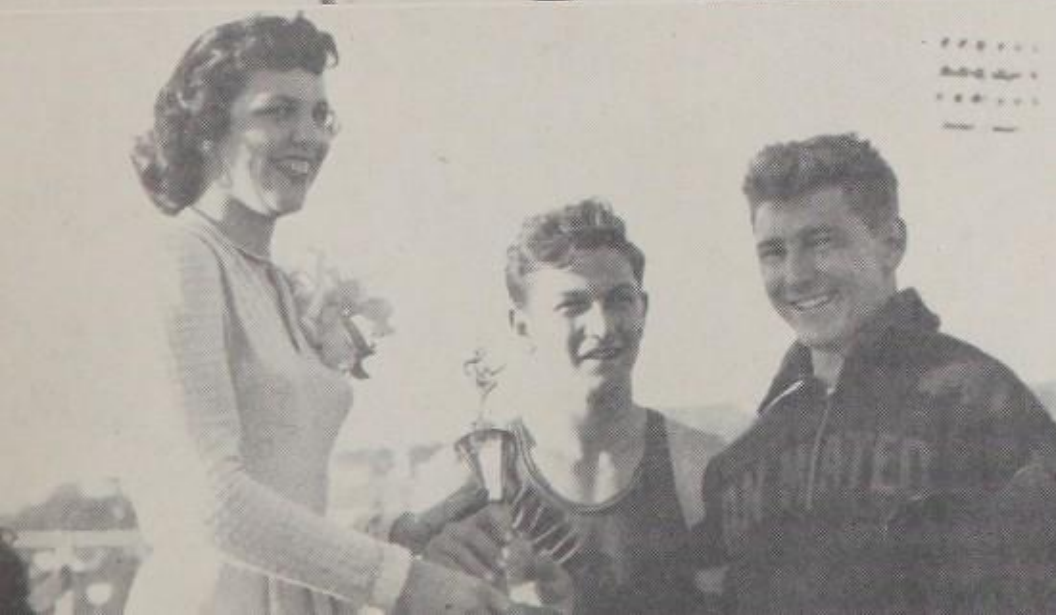

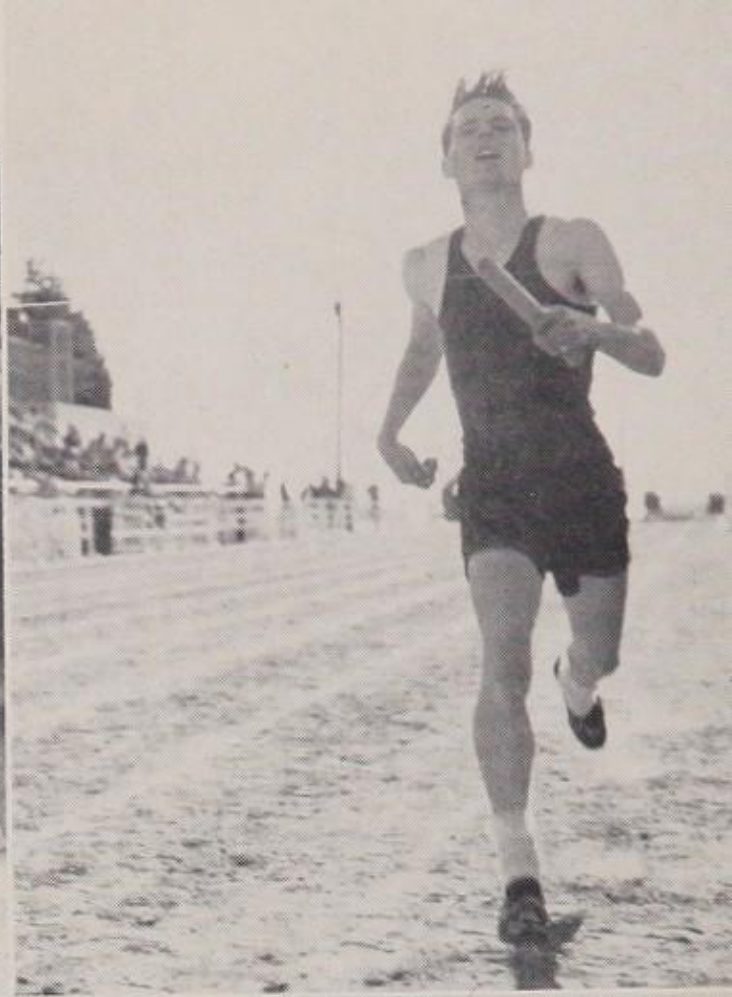

VARSITY TRACK

Coach Ray Allee collected his most formidable aggregation in a good many years this annum, and many thought the San Mateo varsity tracksters might take the N.C.S., as they did a few years back.

The Matean varsity had its greatest single event strength in regard to depth in its hurdlers. In Lou Bortolin, Harold Pemberton, and Jim Simmons the Allee-cats could lay claim to a trio as good as any to be found in local high school circles. Bortolin was also a top-notch broadjumper, and he was expected to be one of the quartet on Allee's quarter and half mile relay squads, while Pemberton was quite a good pole vaulter.

The 'Cats abounded in sprinters. Al Tinker, Tom Guidry, and Charles "Mickey" Lax gave the Mateans as fast a trio as could be located anywhere in the league. The quarter mile was the personal property of Russ Durham; he was unbeaten in this event at this writing. Durham also was a good broad-jumper and ran on the 'Cat half mile relay squad. The shotput featured "Andy" Andersson, a sophomore. "Andy" took the El Cerrito Relays shotput championship in mid-season and appeared headed for even greater glories. Dan Westgard was usually a consistent point maker in the shot.

Bill Wells in the pole vault and Walt DeLear in the discus were winners in early season, but by mid-year they began to lose rather consistently. Overall, however, the 'Cat varsity looked to have depth in almost every event.

VARSITY BASEBALL

Coach Dan Lacy's baseballers, with a practice record of two wins and ten losses, plus one tie, were looking forward to better things in the P.A.L. when this story was written. Four of the Matean losses were by one run, and with a few breaks, the 'Cats might easily have won them.

In the pre-season consensus conducted among the sportswriters in the P.A.L., the Bearcats were chosen to come in sixth or possibly fifth in the ten-team league.

Three pitchers — Marv Lamson, Dick Matlock, and Harry Messick — have pitched well on most occasions, but bad support has cost them more than one game. The leading hitter in these practice games has been Dick Sanders, right fielder with a .421 average. Don Gile, long ball-hitting catcher, had a seasonal average of .306. Gile had pounded out four triples and seven doubles. Mario Devincenzi, a freshman who occupies the hot corner for the Lacymen, was second to Sanders, hitting a healthy .352 clip. Also playing good ball in the 'Cat infield were Bill Cox, another freshman, at shortstop; Bod Loud, minute second sacker; Guido Croaro, who has ably relieved Gile of the catching chores; and Ron Venturelli, first-baseman. Lacy had shifted the outfield a great deal, but his last combination of Dick Marble, left field; Dick Kernick, center field; and Dick Sanders, right field, seemed certain to stick.

Others certain of seeing a good deal of action were LeRoy Ottley, Fritz Brousse, Tom Barrie, Don Fenili, and Stan Reekes in the infield; and Ron Miller and Bill Bohn in the outfield.

As the season progressed, the Bearcats improved by ironing out their defensive play, infield, baserunning, and hitting. The return of regular second baseman, Bill Staley, out with a broken wrist later in the season, will certainly strengthen the team and provide a better double-play combination with Bill Cox.

The team batting average of .215 is also likely to improve when veterans Dick Marble, Dick Kernick, and Guido Croaro begin to duplicate the hitting prowess displayed by them in the 1950 P.A.L. campaign. In San Mateo's first thirteen games, their averages combined were .141. In contrast, their combined averages were .302 in P.A.L. play last year. If they pick up to last year's averages, the 'Cats' chances of finishing high up in P.A.L. are good.

GIRLS' BLOCK S. M.

Certainly the outstanding event in girls' sports this year was the opening of the new locker room, equipped with showers, fluorescent lights, a locker for each girl, and a public address system. A little music during dressing goes far to raise the spirits! Recognizing the news value of the dressing room, Block S.M. invited all Block S.M. alumnae to a party to inspect the new facilities, with badminton, volleyball, and swimming on the program. As usual, Block S.M. girls organized stairway duty and guides for Open House night. Fall officers were Mary Ellen Yee and Barbara Lund. Marcia Andrew and Mickey Miner took their positions in spring.

G. A. C.

The Girls' Athletic Council organized five after-school sports. In the fall semester, when Carol Hotchkiss was G.A.C. president, hockey and volleyball were offered, with Frances Jackson and Mickey Miner the managers, respectively. During Gloria Chew's presidency, girls could participate in basketball, softball and badminton. Managers for these sports were Marcia Andrew and Jane Mills, Carolyn Eastman and Frances Nolan. The G.A.C. sponsored a play day to which they invited girls from Jefferson, South San Francisco, Half Moon Bay, Capuchino, Burlingame, Sequoia, and Palo Alto high schools.

DO YOU REMEMBER?

Do you remember, Freshmen—

The Senior Bow Day and your first Fun Nite. Weren't they fun! Your fall President, Dennis Daniels, and his Veep, Gail Bernstine, and Secretary, Bobby Binsacca, were right on the ball with a talent assembly soon after their installation. An officers' assembly presented the spring officers, David Hoffman, Billy Cox, and K. Lee Manuel, who planned one more assembly to choose the future Frosh-Soph cheerleaders. And, last but not least, Campus Day, when you escorted through the campus the eighth-graders who watched you lower classmen with wide-eyed awe.

Do you remember, Sophs—

That really successful Fun Nite put on by President Dick Hunt, Veep Julia Remmel and Secretary Peg Manuel, that everyone raved about so. Next thing you knew the president had an assembly introducing the new officers: Jim Jones, Willard Turner, and Judy Grant. Then came a talent show, tag day, and a fun nite. What a busy year!

Do you remember, Juniors—

The killing 1930 movies at the Fun Nite. Then Jim Clark, Fritz Brouse, and Bobbie Feldman, with their active Junior Council, planned the traditional Junior Prom and named it "Mardi Gras Magic." It was called the dance of the year. Remember the proud realization you felt of the close-coming senior year when you put on your Senior rings. Bill Gregory, Art Remmel, and Sally Dollman, the spring officers, ended the year with a fun nite.

Do you remember, Seniors—

The "Fourth Year Frolic," title of your "night of fun." And your fall officers: Ned English, Jack Chalmers, and Shanda Scott, also scheduled a Senior Skate that was a roaring success. Spring officers: Al Tinker, Walt Stelling, and Nancy Mausser, of course, planned the Senior Luncheon at Villa Chartier, "Cut Day," and the dreamy Senior Ball.

And now you must say so long to proms and senior balls, finals and flunk lists, the Co-op and the cafeteria, donkey basketball and disaster drills, Big Little Games and Orange and Black. So long, Seniors. But never so long memories.

You saw the rainbow as freshmen. You worked four years to find the promised treasure, and now you realize that it was a pot of golden recollections, filled every year with faces and activities in a never-to-be-forgotten high school. So long and good luck.

ACKNOWLEDGEMENTS

The 1951 Elm staff wishes to acknowledge with gratitude the help and service given to us by the following people:

To Mr. Robert L. Ozias of Lederer, Street and Zeus Co., Inc., printers, and Mr. William L. Thurlow of the California Art and Engraving Co., for the actual production of our yearbook.

To Levy Brothers for their fine photography and co-operation.

To the many students and faculty members who have devoted time and effort to make this publication a success.

And especially to Mrs. H. H. Smith, Elm advisor, for her patience and understanding, plus many long hours of extra work during this past year.

Dear Jackie,
Its been lots of fun
knowing you, this last year.
lots of luck & love.
Muriel
P.S. see you this summer

See you

I am sorry
I didn't
when I
saw you
next year
I would
see you
I said

Dear Jackie,

I only got to know
you this year but
you are one of my best
friends. We've had
a lot of fun together
and I hope we can
go around together
all through high school
even though you might
move to Paly.

You've been a
swell friend and
have understood
when I had my
(heh, heh!) troubles
and you've had
yours. Lots and
lots of luck to
you.

Loads of love,

K. Lee

P.S. You're going to
catch all the boys
you want next year (I hope)

Yockie:

Listen Lato, right
on the bright I can't dig
no snap and you wouldn't
grab it if I did. So take
it light face and really go
up on that main line. If
you don't, I'm telling you Pops,
it'll really bring me down.

Red.

Dear Jackie

Lesson you have fun this summer and
I sure hope to see you this summer and best
of luck next year. How about a date for this
Saturday night, please! I could wish you more
and more luck and that stuff but that's dull
so I just say so long

Bob Rodriguez
